*Annual Spring Formal Partner's Dinner*

Dear Supporter,

We are excited to announce our Annual Spring Formal Partner's Appreciation Dinner. It will take place on April 22, 2021, at Sandlewood Manor in Tomball, TX. The event promises to be a fun-filled evening, offering a cocktail hour, dinner, and an inspirational program celebrating the 'GRIT' of our key partners in 2020.

As a charitable organization, your support will allow us to fulfill our mission and expand our outstanding clinical services. For over 30 years, TOMAGWA's services have been made possible through partnerships with private foundations, churches, corporate partners, volunteers, educational institutions, community organizations, and individual donors. Program success includes our partnership with the American Heart Association, empowering patients with onsite and at-home self-monitoring tools. In 2020, this led to TOMAGWA's success as a Gold Standard Award Winner for Hypertension Control and initiation of our Food Pharmacy for diabetic and hypertension nutrition management. We also boast the Tomball Regional Health Foundation, which launched and continues to sustain our comprehensive dental services program.

This program remains the only dental clinic for the uninsured in our service area. Finally, with tremendous support from Houston Methodist Hospital System, families receive timely, sometimes lifesaving diagnostic labs and radiology services, the bedrock of our patient population health management success. We value, appreciate, and continue to be inspired by these champions who allow us to minister to those most in need.

This 2021 Partner's Dinner offers you many opportunities to join our mission by becoming an event sponsor and gaining publicity among our many constituents while making the evening a night to remember. Sponsorships will showcase your business through diverse opportunities, including our program journal, which will remain a valuable reference guide to Dinner attendees for years to come. Thank you in advance for your contribution, and we look forward to sharing this special evening with you. If you have any questions, please do not hesitate to contact us. On behalf of TOMAGWA Healthcare Ministries and the Annual Spring Formal Partner's Appreciation Dinner committee, we look forward to partnering with you!

Sincerely,

Katina Mein  
Sr. Director of Development
