We invite you to join us for Birdies for Blue and support TOMAGWA in providing quality healthcare to low income families and the uninsured in the Harris, Montgomery and Waller counties. This year's event will be held in September to raise awareness for men's health and prostate cancer.

We will have a great day of golf at the **Blackhorse Golf Club** in Cypress, Texas. This event will include a 4-person scramble, breakfast, and awards reception with lunch following the golf rounds.

Register now and remember to invite your friends to play!
